Where have you seen the Spirit at work?

**"My place in the
quiet to talk to
God!"

I have seen the Spirit moving in all the essential workers including pastors, health care workers, farmers, mask makers, grocery store workers, child care workers, teachers and all of those I have failed to mention. I pray for all of us while we try to stay positive in this uncharted time. This is one of the only pictures I have of fellow Oncology nurses who continue to give life saving treatments. This was sent to 2 of our colleagues who were ill from coronavirus to cheer them up!!

The spirit gave
me a rainbow.
Things have been
hard lately, and
this was a
sign of
Hope.

The Holy Spirit has brought us together with our partners in Sri Lanka. We may be thousands of miles apart, but we are one body in Christ.

The Holy Spirit is at work in our Zoom Bible Studies!

ZUCC PHONE TREE

I have seen the Spirit at work in
our PHONE TREE! It is reigniting
long-standing friendships and
sparking new ones. The Spirit is
moving among us even
as...especially as...we continue to
hunker down to slow the spread
and show love to our neighbors.

I see the Holy
Spirit in this
3,000 year olive
tree in Crete.

Phone Tree

A Poem by Paula Prange

While the virus keeps us in the house
Churches can't be opened.
So we have a phone tree
With many mighty branches.

Every Thursday I wait for a call
Someone to connect with.
A friendly reminder that someone cares enough
To take the time to say hello, how are you doing,
hope all is well.

I wonder if the others wait as expectantly as I do?
As Thursday morning carries on I wonder what is
new!
Hopefully as churches reopen the phone tree
might carry on.
A chance to say hello and how are you
encourages us on.

We may not be together in-person right now, but the Holy Spirit is keeping us united. This pandemic may be disrupting our lives, but nothing can stop the winds of the Spirit! Pentecost Blessings from Zion
