Welcome to Stewardship Bingo!

Council invites you to join us as we put our faith into action by participating in this fun practice. This card is designed to give you ideas of how to be generous stewards of our ministry and to nurture your faith.

Here's how to play.

- Mark off each spiritual practice you complete.
- Bingo includes five squares vertically, horizontally, or diagonally.
- Bring your card with you to worship. Once you get a Bingo, share with us which squares you covered.
- If you worship online or at home, let Pastor Sarah know once you have a Bingo, and she will share your Bingo during worship.
- Participants can win one prize for a regular Bingo, but don't quit playing! You can win an additional prize for a "coverall" if you fill your whole card.

We will play Stewardship Bingo through
Sunday, November 23.
